

Human Growth & Development

New for 2019-2020

Competitors are no longer required to show event guidelines. Time remaining announcements have been added to the test. Editorial updates and clarifications have been made to guidelines. Scholarship information has been added to the guidelines. The designation of "Knowledge Test" has been removed from the event name.

Purpose To encourage HOSA members to explore and learn about the stages of human growth and development, including the biophysical, mental/cognitive, social, and emotional development in the health community.

Description The event shall be a written test requiring competitors to apply, analyze, synthesize and evaluate information related to human growth and development in a 100 item multiple choice test plus one tie-breaker essay question. Written test will measure knowledge and understanding at the recall, application or analysis levels. Higher-order thinking skills will be incorporated as appropriate.

Dress Code Competitors must be in official HOSA uniform or proper business attire. Bonus points will be awarded for [proper dress](#).

- Rules and Procedures**
