

It's Time To Get Connected.

STEM Premier[®] lets you showcase yourself and get seen by colleges and companies looking for the next generation of STEM talent.

STEM Premier is a platform where **HOSA** members can build virtual portfolios* displaying their academic and technical STEM skills, see how they stack up against other students and **connect directly with colleges**, **companies**, **and organizations**.

Benefits To HOSA Members

Connectivity

Members and parents can be messaged directly by colleges, companies and organizations within STEM Premier.

Analysis

STEM Premier® evaluates individual achievements and shares comparison data on state and national levels.

Organization

Members build virtual portfolios which grow and strengthen as they progress through their academic careers towards next steps.

Guidance

We offer recommendations and resources to foster career growth and help the member optimize their individualized profile.

Recognition

Members can be rated & ranked**, display earned badges & accomplishments and add courses completed.

Scholarships

Members will have access to an ever-growing collection of scholarships within the STEM Premier database.
