Formerly called the “Gotta-Have-It Chart”

This file lists ALL the equipment and supplies HOSA needs to provide for competition. As of September 2020, these supplies are no longer listed in the event guidelines. The guidelines focus only on the supplies the competitor must provide – this chart includes everything needed by event personnel to successfully organize and run the events behind the scenes. For specifics on all event management implementation, visit: [MANAGING COMPETITIVE EVENTS](#).
