Get Ready to Explore!

Introducing the MindTap Simulation Center

AT HOSA'S VIRTUAL INTERNATIONAL LEADERSHIP CONFERENCE 2021

Explore Simulations across Health Science Careers!

Get hands-on with Health Care scenarios, skills, and procedures from home with an all-new virtual experience during HOSA VILC! Explore over 190 simulations and practice real-world skills from a pharmacy externship, to setting up surgical trays, to analyzing crime scenes. All you need is a computer, laptop, or Chromebook and internet connection to participate. Teachers and advisors are encouraged to participate!

Compete to Win!

MINDTAP EXPLORER SCAVENGER HUNT

All attendees who register for the 2021 HOSA VILC will receive a login to the MindTap Simulation Center and be able to access simulations from 12:00AM Wednesday, June 23rd through noon on Friday, June 25th EST. Collect the correct answers about health care professions from the MindTap Simulation Map as you delve into virtual activities and submit your findings for a chance to be acknowledged during the Grand Awards Ceremony: National Geographic Learning Awards on Saturday, June 26 and win a scholarship for you or your HOSA chapter.

Learn more about the rules and details of the MindTap Explorer Scavenger Hunt at **NGL.Cengage.com/HOSAILC**

Register

HOW DO I REGISTER FOR THE MINDTAP SIMULATION CENTER?

All attendees who register for the 2021 HOSA ILC will receive a login to the MindTap Simulation Center. You will be emailed your instructions to login and access the MindTap Simulation Center as part of your HOSA ILC pre-conference materials on Wednesday, June 23rd. MindTap Simulation Center courses will not be live until the first day of HOSA ILC and will remain open through July 2nd, 2021. HOSA advisors are also encouraged to log in!

REMEMBER TO ALSO REGISTER FOR THE ACADEMIC TESTING CENTER

Remember to also register for the National Geographic Learning Academic Testing Center for Future Health Professionals.

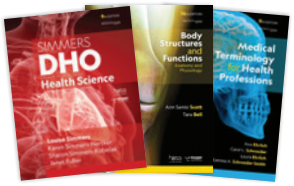
Compete against hundreds of students at the HOSA ILC in academic tests across 15 topics that are crucial for professional success in health care. Learn more about the Academic Testing Center here. Tests are open Wednesday, June 23rd 12:00am - 12:00pm on Friday, June 25th.

What is MindTap?

CENGAGE | MINDTAP

MindTap is the online learning solution for Career and Technical Education courses with a full, interactive eBook, auto-graded assessment, media, simulations, and data analytics. MindTap courses have been customized for the MindTap Simulation Center at HOSA's VILC to ONLY include simulations so it is easier than ever to explore!

HOSA Advisors!



Want to learn more about MindTap and online curriculum before the ILC? Contact National Geographic Learning, Cengage. Ask a sales consultant for review copies and trial access, including NEW EDITIONS of Simmer's, ***DHO Health Science*** as well as *Medical Terminology for Health Professions* and *Body Structures & Functions — Anatomy & Physiology*.
