Registration Priority and Process

10. There are no qualification rules for NGL ATC tests between state and ILC. Members can take the test at state, ILC, both, one or the other, etc. They do not need to score a certain percent or finish at a certain rank at the state conference. Members do NOT need to have taken the test at state in order to take the test at ILC.
11. **ILC registration** includes the opportunity to take one NGL Academic Testing Center test. Delegates who wish to take additional NGL Academic Testing Center tests may do so by paying \$20 per additional test. There is no maximum to the number of NGL ATC tests that can be taken at ILC, as long as the competitor can logistically sit to test in all events for which they are registered.
12. Delegates will pre-register for the NGL Academic Testing Center at ILC 2022 in the HOSA Conference Management System. If testing space allows, delegates may also register and pay on-site at ILC on a first-come, first-serve basis.
13. Competitors should refer to the [General Rules and Regulations #6](#) for information on how many competitive events they can register for at ILC.
