

HOSA Service Project

Be The Match

New for 2021 - 2022

Guidelines have been updated for clarity.

Event Summary

The HOSA Service Project involves a nationally identified partner who HOSA chapters can choose to support through volunteer service and fundraising. Local chapters plan service projects to support the selected organization. Chapters document their involvement and submit documentation via the online HOSA Activity Tracking System for the opportunity to earn recognition at the state and international levels. This event aims to encourage HOSA members to provide community service and come together collectively in support of the selected service organization.

2020-2022 Service Organization: Be The Match BeTheMatch.org/HOSA

General Rules

1. Competitors must be familiar with and adhere to the "[General Rules and Regulations of the HOSA Competitive Events Program \(GRR\)](#)."
2. A plan with goals and strategies should be developed to guide the HOSA chapter's involvement with the selected organization.
3. If a chartered association does not have the selected health organization in their country, the leadership of CE will work with the chartered association to find a comparable organization to serve as the recognized organization for the term.

Tracking Hours and Money Raised

4. Members and chapter advisors should submit hours and money raised by their chapter via the online [HOSA Activity Tracking System \(HATS\)](#). (See [Member Instructions](#) and [Chapter Advisor Instructions](#) for detailed directions on using the online system.)
Members should record their volunteer hours individually. **Donations should be noted on just ONE chapter member's account.**

For example, if a chapter raised \$150 in five hours of volunteer time, each member who participated should record five hours in the online HOSA Activity Tracking System. But only ONE member of the chapter should enter the \$150 donation total. If all five members entered \$150, this would inflate the actual amount of money raised.

This is a chapter recognition event. The HOSA Activity Tracking System (HATS) will add the volunteer hours submitted by all members of the chapter to reach total hours volunteered by the chapter.
