The rating sheet has been updated.
Editorial updates have been made for clarity.

Event Summary

Public Service Announcement provides members with the opportunity to use technology to produce a video public service announcement that informs the community about an important health issue. This competitive event consists of one round and each team consists of 3-6 people. All teams will show their PSA to a panel of judges as well as give a presentation about their creative process. This event aims to inspire members to be proactive future health professionals by producing a PSA to promote a health service organization, bring awareness to a health situation, or educate the public at large in regard to health and well-being.

2021-2022 PSA Topic: Bone Marrow Donation Saves Lives!

September 18th is World Marrow Donor Day. This kicks off opportunities for HOSA members to educate communities about the value and need for bone marrow donors this year. Bone marrow donation provides life-saving stem cells and may be the only hope for patients diagnosed with leukemia, lymphoma or other life-threatening diseases; yet 70% of those in need of transplants do not have a fully matched related donor. This year's PSA topic highlights how bone marrow donation transforms lives.

Successful PSA's could also include a call to action for potential donors to join a registry. Be the Match (HOSA Service Project partner) and The World Marrow Donor Association provide patients access to donors around the world, but new donors are needed every day. Be creative and highlight stories that inspire and remind us that Bone Marrow Donation Saves Lives!

To learn more about bone marrow donation visit [Be the Match](#) or the [World Marrow Donor Association \(WMDA\)](#).
