2021-2022 AFFILIATION

HOSAR
shatter
your expectations
FUTURE HEALTH PROFESSIONALS 2021-2022

HOSAR
future health professionals
Those who “shatter expectations” decide they want to achieve a worthy goal, then, never give up. HOSA members who work harder than others are noticed and are rewarded by others or themselves. They learn, lead, serve, and innovate. And they are recognized as HOSA leaders.

Leaders who will “shatter expectations” are not born every minute. That is why those who shatter expectations draw so much attention.

For more than 40 years, HOSA has developed leaders for the healthcare industry and continues to inspire a dynamic generation of future health professionals. It is HOSA’s responsibility to develop leaders who “shatter expectations” as the best workforce solution to the healthcare pipeline shortages and health disparities. HOSA members are willing to prepare themselves to excel everyone’s expectations by combining technical and leadership skills with the practice of working as a team.

With outstanding partners supporting our goals, high profile health industry leaders serving as role-models to HOSA-Future Health Professionals and extremely committed HOSA Advisors, the 44th Annual International Leadership Conference was virtual but extremely successful proving tenacity, leadership, teamwork, and the ability to apply technology are the new necessities of healthcare professionals. There were over 10,500 Future Health Professionals and HOSA Advisors demonstrating their enthusiasm for their affiliation with HOSA-Future Health Professionals.

The HOSA, Inc. Board of Directors, Executive Council, HOSA partners and sponsors, HOSA-100 National Advisory Council, and Headquarters Staff are fully committed to support the 2021-2022 membership year. Through your local chapter membership and participation this year, we are prepared to provide more services for members of HOSA-Future Health Professionals! We must not allow the pandemic to negatively impact the preparation of future health professionals. We are committed to empowering HOSA-Future Health Professionals to become leaders in the global health community!
For those who have been reluctant to provide all health and biomedical science students with access to HOSA-Future Health Professionals, a member-led international organization with increasing recognition and credibility as a provider of future health professionals among professional associations and the health industry, and be a 100% HOSA affiliated chapter and "shatter your expectations" of a profound formula:

Health & Biomedical Science Classroom + Member-Led HOSA Chapter + Recognition of Leadership & Competency (Conferences) = #1 Career: Health Professions

The more dynamic the HOSA chapter – the more motivated the students/members in the classroom. The more students and members learn – the greater the opportunity to be recognized among thousands of delegates as an International Champion. By including active involvement in HOSA-Future Health Professionals or service as a chapter, state, or international officer, those reading the resume realize the level of dedication and commitment of a future health professional who is prepared to lead and “shatter their expectations.”

Take full advantage of the HOSA formula for Success! Contact your State Advisor if you have questions on how best to lead or advise a member-led HOSA chapter. Since 1976, more than 2.7 million members have benefited from their extraordinary classroom, chapter, and conference preparation as future health professionals. Let HOSA know how we can launch your preparation in the number #1 career field – the health professions!

MEET YOUR 2021-2022 INTERNATIONAL EXECUTIVE COUNCIL

Your International HOSA President, Sricharan Pusala, and the Executive Council are ready to shatter expectations as future health professionals.
COMPETITIVE EVENTS
The 2021-2022 Competitive Events Guidelines will be posted on September 1, 2020. Guidelines will be posted at hosa.org/guidelines.

Be sure to stay up-to-date with all the latest topics, changes, and resources by reviewing the CE Update at hosa.org/guidelines.

CERTIFICATES
Certificates for HOSA Membership, HOSA 100 Club, HOSA 100% Affiliation, and HOSA Gold Chapters are available online. Download your certificate today at hosa.org/certificates.

GET SOCIAL
Be sure to follow @hosafhp on Facebook and Instagram! Tag #HOSA and share your #HOSAHappenings with us!

HOSA SERVICE PROJECT
The 2020-2022 HOSA Service Project, selected by the 2020 Voting Delegates, is Be the Match. HOSA will work with Be the Match for the next two years in raising funds and awareness for the National Marrow Donor Program (NMDP). We are proud to be working with Be The Match to help save lives through transplants for thousands of people diagnosed with life-threatening blood cancers like leukemia and lymphoma.

Be The Match® is a global leader in bone marrow transplantation. We conduct research to improve transplant outcomes provide support and resources for patients and partner with a global network.

For more information on state and recognition, please visit hosa.org/serviceproject.

2021-2022 THEME
As HOSA enters a new year of leadership, opportunities, and potential, we want to encourage members to go beyond what they and everyone else thinks is possible!

HOSA-Future Health Professionals! It’s time for a new wave. This next year of leaders will change the game with innovations in education and in the health industry.

It’s a new year, a time for new traditions and new ways to do things. Change your perspective and adjust your goals. HOSA members, show the world how to SHATTER YOUR EXPECTATIONS!

Download this year’s ILC conference logo as well as HOSA’s logo at this link: hosa.org/brand
In order to use HOSA's Affiliation System, you must have your chapter's charter number and password. If you are a new chapter or you do not know your chapter's charter number or password, contact your state advisor or HOSA Headquarters.

From the main menu, be sure to review the affiliation instructions especially if you are unfamiliar with the online affiliation system. Click Complete the Affiliation Application to begin the chapter affiliation process. Ensure all chapter information is correct including the billing and demographic information. For returning HOSA members, you can re-affiliate these members without re-entering their information. For all new members, please enter the member's name, demographic, and contact information.

**Nevada State Curriculum Package $7.00 National Affiliation $10.00 Total $17.00**

All states should return the National and State Affiliation payment to HOSA Headquarters 548 Silicon Drive Suite 101, Southlake, TX 76092.
As a proud partner of HOSA, AdVenture Capital provides funding for HOSA members (ages 13-17) or chapters who want to lead and create healthy changes in their schools.

LEARN MORE AT ADCAPYOUTH.ORG/OPPORTUNITIES
That’s a Career in Respiratory Care

One of the fastest growing careers in health care!

Do you want to leave your mark in the world and love science, technology or math? Then you should consider becoming a respiratory therapist! Complete an associate or BS degree and get prepared to excel as an ‘RT’ in a diverse and exciting work environment!

- Patient’s bedside, delivering hands-on assessment, care and education.
- Emergency rooms, providing life-saving assessments and interventions.
- Intensive care units, managing the critical care technologies (like ventilators) that support critically ill patients.
- Diagnostic laboratories, helping to diagnose, manage and educate patients with lung diseases.
- Newborn intensive care units, caring for premature babies whose lungs are still developing.
- Settings outside of the hospital, such as pulmonary rehabilitation, tobacco cessation programs, sleep laboratories, physician’s offices, and in patients’ homes.
- Transport programs, bringing specialized care to scenes and the bedside by ambulance or aircraft.

Work in exhilarating work environments:

Career Stats for RTs

- Faster than average job growth projected 23% 2016-2026*
- Median annual wage $60,280 in 2018*
- Excel in a BS degree program as well as post-graduate
- Earn additional specialty certifications

*According to the Bureau of Labor Statistics

Visit www.aarc.org/careers/ for more career details or contact the American Association for Respiratory Care today!

Email info@aarc.org for more information!
Contents

a. Year One Results  
b. Getting Started for Year Two  
c. Key Resources  
d. Year at a Glance Calendar  
e. Key Dates  
f. Incentives

Year One Results

- $126,454 dollars raised  
- 167 new Be The Match Registry® members  
- 28 people added to the Under 18 Pre-Registry  
- 330 team pages  
- 1,936 individual participant pages

Getting Started for Year Two

A. Learn more about our mission and blood stem cell transplant via our curriculum!

We’ve developed an interactive curriculum about blood stem cell transplants. Encourage your chapter members to go through the nine modules and download a certificate of completion at the end.

You can also begin asking teachers if they’d be willing to incorporate this curriculum into their lesson plans so that your chapter can earn additional incentive points.

B. Assign a chapter member/officer to complete the following tasks

In order for your chapter to earn points, you MUST create a new team page.

• Set up a new Team Page for your chapter  
• Individual chapter members can set up individual pages by joining the Team Page

1. Go to BeTheMatch.org/HOSAChapters and start your page.

2. Enter your chapter’s charter #. If you don’t know it, check the list.

3. Add your chapter’s JOIN KEYWORD to your team page and individual pages. If you don’t have one, mail to: hosa@nmdp.org to get connected with your representative.

   “Are you interested in joining the registry? Learn how you could be someone’s cure and request a kit be sent to your home my.bethematch.org/YOURCODE.”

4. Customize your personal page and connect it to your social media.

5. Spread the word! Invite your team, friends and family to visit your page and make a contribution and join the registry.

Key Resources

• Visit bethematch.org/HOSA for all missions, resources, and up-to-date information  
  - View our Education, Fundraising, Recruitment, and Curriculum missions to get started earning points  
• Mail to hosa@nmdp.org with any questions or to get connected to a representative if you don’t already have one  
• Frequently requested documents  
  - W9  
  - Contribution form  
• Check the leaderboard to see where your chapter stands compared to others across the country
Calendar
themes are subject to change

August 1: Year Two begins!
• Chapter points are reset and tracking of year two begins
• New Team Pages should be set up and individual members should join the team to create their personal pages

September/October:
• Theme: Pass it On
  – Homecoming events
  – Host recruitment and fundraising events
• Hispanic Heritage Month
• Childhood Cancer Month

November/December:
• Theme: Give Thanks, Give the Gift
• “Adopt” a patient and share their story with your community
• Merch design contests

January/February:
• Theme: Equal outcomes for all patients
  – Black History Month
  – Educating your peers via the curriculum

March/April:
• Theme: Match Madness

May/June:
• Theme: Moms, Dads, & Grads
  – Add seniors to the registry
  – Mother’s Day and Father’s Day
• Asian American & Pacific Islander Heritage Month

Key Dates:

August 1: Year Two begins
All points are reset and tracking towards year two begins.

September 15: Early bird special
Every chapter that has set up their team page AND added their chapter’s Join Keyword earns an extra 25 points.

December 31: End of semester contest
Each chapter that has added at least 15 people to the registry by 12/31 using their join keyword earns an extra 50 points.

June 1:
Year Two is complete, all incentive points are added up per chapter and winners are announced.

Incentives:

<table>
<thead>
<tr>
<th># of Points</th>
<th>Incentive(s)</th>
</tr>
</thead>
<tbody>
<tr>
<td>100</td>
<td>Recognition from HOSA</td>
</tr>
<tr>
<td>250</td>
<td>Merch items for every chapter member</td>
</tr>
<tr>
<td>500</td>
<td>Recognition for chapter members</td>
</tr>
<tr>
<td>750</td>
<td>Lapel Pins for each chapter member</td>
</tr>
<tr>
<td>Top 3 Chapters</td>
<td>Travel for 3 chapter members and your advisor to Minneapolis, MN for an exclusive visit to the Be The Match headquarters and additional programming.*</td>
</tr>
</tbody>
</table>

*Pending Covid

How to Earn Points:

Fundraise:
1 dollar raised = 1 point

Recruit:
1 person added to the Be The Match Registry = 5 points
(swab kit returned and interest in joining confirmed)
1 Pre-Registration = 3 points

Curriculum:
For every teacher willing to offer this curriculum, your chapter will earn 20 points.

(Please note, your chapter earns 20 points per teacher, not per class).
We are in the business of breakthroughs—our diverse, inclusive workforce creates innovative medicines that transform patients’ lives. Each one of us dedicates to our mission of discovering, developing and delivering innovations that help patients overcome serious diseases. Every day, our people bring a human touch to every treatment we pioneer.

To learn about the work our global community of colleagues are doing around the world to help patients and advance scientific innovation, visit Life & Science Stories.

In order to keep serving patients, we have to grow in a manner that respects the environment, encourages social progress and contributes to long-term economic viability. Learn about how our Sustainability efforts embrace our responsibility to support our supply chain, employees and communities.

Through Bristol Myers Squibb Foundation, we promote health equity and seek to improve the health outcomes of populations disproportionately affected by serious diseases by strengthening healthcare worker capacity, integrating medical care and community-based supportive services, and mobilizing communities in the fight against disease.

Visit bms.com to see how we’re bringing a human touch to everything we do.
Health with heart.

Yes, we serve millions of people in thousands of locations across the country. But what really matters is the size of our heart. Because every day, in every way, we are passionate about helping people on their path to better health.

We are proud to support HOSA-Future Health Professionals.
Elsevier offers everything you need to succeed in your journey from student life to healthcare professional, from publishing vital foundational knowledge to designing innovative digital learning programs. Connect with us for first access to authoritative expert guidance and practical peer advice as we forge the future of health care together.

FIND YOUR PURPOSE

Keeping College Affordable

► GENEROUS SCHOLARSHIPS
GCU traditional campus students received over $157 million in scholarships in 2020.

Find out what scholarships you qualify for by uploading your unofficial high school or college transcripts to gcu.edu/myoffer.

► AFFORDABLE TO ATTEND
GCU traditional student pays an average of $8,600 for tuition.*

► GRADUATE WITH LESS DEBT
GCU students graduate with less debt than the national average.**

► INCOMING TRADITIONAL STUDENT GPA OF 3.55
Fall 2020 incoming students.

► #19 BEST COLLEGE CAMPUS IN AMERICA IN 2021
Rated by Niche.com.

► VIRTUAL AND IN-PERSON TOURING OPTIONS
Campus is open for individual tours or you can participate in a virtual GCU LIVE Tour from your home.
Visit gcu.edu/TOUR for more information.

APPLY FOR FREE TODAY!
apply.gcu.edu | 855-428-7884

*Average tuition after scholarships is approximately $8,600. Scholarships may be awarded based on 6th semester transcripts. At the time in which final, official transcripts are received, GCU reserves the right to rescind or modify the scholarship if it is determined that eligibility was not achieved. GCU reserves the right to decline scholarship awards for any reason. If a student does not meet the minimum renewal criteria, their scholarship will be forfeited. GCU reserves the right to change scholarship awards at any time without notice. If a student does not meet the minimum renewal criteria, their scholarship will be forfeited. Prices based on 2019-20 rate and are subject to change.

**GCU students graduate with less debt on average ($18,750 according to College Scorecard) than the average at public and private nonprofit universities ($28,650 according to 2017 data from the Institute for College Access and Success).

Please note, not all GCU programs are available in all states and in all learning modalities. Program availability is contingent on student enrollment. Grand Canyon University is accredited by the Higher Learning Commission (hlcommission.org), an institutional accreditation agency recognized by the U.S. Department of Education. Pre-licensure nursing students who begin or resume attendance in Fall 2020 and beyond will be ineligible to utilize most GCU institutional aid/scholarships for tuition and fees once accepted into the clinical portion of the program. Important policy information is available in the University Policy Handbook at https://www.gcu.edu/academics/academic-policies.php. The information printed in this material is accurate as of AUGUST 2021. For the most up-to-date information about admission requirements, tuition, scholarships and more, visit gcu.edu. ©2021 Grand Canyon University 21GTR0867

Build flexibility into your Medical Assisting and Health Science programs with SIMTICS online procedure simulations.

Elite Sponsor and Official Simulation Partner. As featured in the HOSA 2021 ILC conference competitions.

- Simulation-based learning, accessible anytime, anywhere
- Mimics real-life situations in a risk-free environment
- Provides students with guidance and real-time feedback
- Easy access and unlimited repetition to achieve mastery

SIMTICS Simulations

**Medical Assisting**
- Administer Injections: Intramuscular, Subcutaneous, Intradermal
- Obtain Vital Signs: Pediatric, Adult; Pediatric Assessment (infant)
- Perform Venipuncture; Capillary Puncture and Hematology Testing
- Irrigate Eyes and Ears and Instill Medication (2 modules)
- Administer Nebulizer Treatment & Assess Peakflow
- Perform and Interpret an ECG
- Obtain Swabs for Culture
- Assist with Pap Smear & Breast Examination
- Minor Surgical Procedures: Skin Preparation, Assist with Procedure, Perform Suture Removal
- More coming soon, incl. electronic health records

**Infection Control**
- Disinfection and Sterilization, Hand Hygiene, Isolation PPE Protocol (4 modules)

**Lab Tests**
- Urinalysis, Rapid Strep, Mononucleosis

**Respiratory Care**
- 9 modules, including: Oxygen Administration Equipment Recognition, Oxygen Administration Protocols, Pulmonary Function Testing

**Professional Skills (coming soon)**
- Time Management, Teamwork, Communication, Ethical and Legal Issues (4 modules)

**Total library of over 200 modules**
- Including medical procedures, x-ray, ultrasound

**Included with subscription**
- Onboarding — Dedicated onboarding specialist for your faculty
- Instructor Access — Showcase SIMTICS to your class to demonstrate procedures
- LMS Integration — Students use single sign-on, with scores automatically sent to the gradebook
- Comprehensive Reporting — Instructor dashboard with summary and detailed reports

“SIMTICS shares our mission to provide students with learning experiences far beyond the basic needs for entry into the health profession.”

Jim Koeninger, Ph.D., HOSA Executive Director.

To access remote procedural training during the coming school year, get in touch now to start the conversation. Please email sales@simtics.com with your name and class size to request a quote or arrange a virtual demo. When you’re ready, we can get you and your students set up in 24 hours if necessary. Special promotions available to HOSA members.
Touch of Life Technologies provides cutting edge anatomy education tools for healthcare students and professionals. All of our products are built on real anatomy from the National Library of Medicine’s Visible Human Project® along with clinical and photographic imaging so users can have full confidence in what they see. Our products make it easy to take your lab completely virtual, create a hybrid environment or augment a full dissection experience through innovative software and hardware tools that work together as a complete platform.

**VH Dissector**
- Real anatomy with integrated 3D and cross-sectional views
- Extensive pre-built curriculum content
- LMS integration for building custom curriculum
- Compatible with Windows, macOS and iPad
- Support for VR and AR environments

**Sectra Education Portal**
- Clinical imaging case library
- Cloud based for remote learning
- Histology library with view sharing
- Accessible from any modern web browser

**Sectra Table**
- Large multi-touch environment for team-based learning
- Highly adjustable for mobility and ergonomics
- Expansive clinical imaging library and ability to upload your own cases
- Includes all VH Dissector and Education Portal features
