Skyler Hays

Freshman at Wofford College | South Carolina HOSA | 5th Year HOSA Member

SUMMARY STATEMENT

Throughout my five-year journey with HOSA, I have had many fulfilling and impactful experiences that have shaped me into an intentional and hard-working individual and have inspired me to positively impact our organization. HOSA has not only supported and developed my passions for the future of healthcare, but also has provided me with the most encouraging support system and family in my fellow HOSA members. HOSA has amazed me with its unique ability to empower and uplift members to develop themselves into passionate and innovative servant–leaders within the healthcare industry. I would be honored to have the opportunity to become a member of HOSA's International Executive Council and collaborate with a team of driven and diverse individuals to inspire our membership, foster their passions, compassionately serve others, and make an impactful difference.
