Corey He

4th Year HOSA Member

che.njhosa@gmail.com

New Jersey HOSA

Summary Statement

As a current high school senior, I look back on my four-year journey in HOSA with great confidence that I can continue to serve this organization and its diverse, passionate membership. Being able to compete with other aspiring peers, network with state officers from various backgrounds, and connect deeply with statewide members are just a few ways HOSA has expanded my horizons and enhanced my visions. I look to take the lessons and experiences from my term as a state officer to my next healthcare and leadership endeavors within HOSA and beyond.
