SWAHA ROY

Texas HOSA | Westlake High School, Senior | Fourth Year HOSA Member

SUMMARY STATEMENT

The power of HOSA lies within its ability to transform the individual member, health science educators and the industry itself. In my past four years, it is this very quality that has fueled my burning passion for furthering our organization's mission. By serving on the International Executive Council, I aim to cultivate an inclusive environment that is driven by the constant desire to reflect, learn and grow. For it is when we dare to dream that we can make the greatest impacts on the communities we hold dear to our hearts.

HOSA ACHIEVEMENTS

Leadership

- *Texas HOSA State Secondary Vice President* *2021-2022*
