Bavishya Yeturi

Georgia HOSA

SUMMARY

To obtain a position as a member of the International Executive Council to help bridge the divide between state-chartered associations, combat the stigma facing mental health, and provide members with opportunities to further their interests in their desired fields.

EDUCATION

- Milton High School (Milton, GA) Graduation May 2022
- 12th grade
- 99.617(Weighted GPA)

HOSA EXPERIENCE: 4 Years in HOSA

Georgia HOSA Future Health Professionals *March 2021- present*

Vice President of Innovation

- Led an organization of over 15,000 members through conferences, workshops, and school visits.
- Created workshops to educate members on important topics, such as team dynamics after a pandemic.
- Encourage members to take their own initiatives in improving chapters, career goals, and competitive events.
- Created a mental health initiative to bring awareness and combat stigma.

Milton HOSA Future Health Professionals *August 2018- present*

State Liaison Aug 2021- May 2022

Committee of Charity & Volunteers Aug 2020- May 2021

- Aided in communications between the state and local level to answer doubts or questions.
- Volunteered for organizations, such as blood drives and food banks, to help the local community.
- Competed in state competitions in topics such as community awareness and medical terminology.

National Pediatric Cancer Foundation *September 2019- present*

President

- Planed interesting fundraisers to help raise over $200 for pediatric cancer drugs and treatments.
- Developed a new club and increased interest to help find treatments for childhood cancer.

WORK EXPERIENCE

First Step Physical Therapy- Roswell *September 2021- December 2021*

Intern

- Created patient charts and organized them daily by which patients are coming in the next day.
- Aided therapists by getting and putting away equipment, taking patient notes, and participating in patient exercises.
- Found and implemented an EMR system that is easily accessible for everyone to replace the clinic's current paper system.

Hollyberry Animal Hospital *February 2022- May 2022*

Intern

- Assisted in surgery by checking respirations, heart rate, BP and ensuring a proper level of anesthesia was maintained.
- Collected blood samples from patients and conducted lab testing for various disorders and diseases.
- Conducted check-in procedures for patients including weight, temperature, and capillary refill.
