SUBJECT: HOSA 2023 International Leadership Conference – Judge Information

Are you familiar with HOSA? HOSA-Future Health Professionals is a national, student-led organization uniquely positioned as building a pipeline of future workers in the health field. HOSA provides opportunities to expose students to health careers.

Professionals who wish to spread the awareness of the health profession and leadership skills are invited to get involved in HOSA! We are actively recruiting volunteers to serve as judges for the 46th annual HOSA International Leadership Conference. We need judges for our HOSA Competitive Events Program. The events are designed to motivate HOSA members to study, work hard, and achieve a high standard of excellence in a variety of leadership and skill disciplines. We will have 8,100+ competitors in 60 different events which means we need over 400 judges to evaluate student performance. The competition dates are Thursday, June 22 and Friday, June 23, 2021.

A complete listing of events and time frames, along with registration information is available online at http://www.hosa.org/judge

This organization provides students with the ability to develop their knowledge and skills through competitive events and networking with professionals in the health community. If you would like more information regarding HOSA or the upcoming International Leadership conference you can find complete information online at www.hosa.org or http://ilc.hosa.org

We look forward to working with you as we build the next generation of health professionals!
