

CONGRATULATIONS!

Your son/daughter has been chosen as a member of the _____ HOSA Chapter Leadership Team. He or she has demonstrated outstanding academic and leadership qualities. A panel of individuals who believe that your son/daughter will serve our school's HOSA chapter to the highest degree chose him/her.

This leadership team will work throughout the next year to develop and promote HOSA to our school and the surrounding community as well as the state of _____.

HOSA is the only national student organization that exclusively serves secondary and postsecondary students in pursuit of a career in the health professions. HOSA is a student-led organization that is 100% health, and offers opportunities for all students who are planning to pursue a career in the health industry. HOSA activities prepare tomorrow's health professionals. HOSA provides an opportunity for students to expand upon the learning opportunities offered in the classroom. HOSA is not a club – it is an organization that promotes career opportunities in the health and biomedical settings.

As part of your child's duties and responsibilities as a member of the school HOSA Leadership Team, I am including a brief calendar of events that your child will be expected to participate. Please review the list and if you have any questions, please contact me.
