Welcome to ILC 2023

Friends,

On behalf of the 2022-2023 HOSA International Executive Council, it is an honor and privilege to personally invite you — and over 11,000 members, advisors, partners, sponsors, exhibitors, and guests — to the 2023 International Leadership Conference in Dallas, Texas!

We look forward to seeing you at the 2023 ILC — a highlight of the HOSA year that you do not want to miss! The ILC is an amazing opportunity to compete in events focused on building leadership and technical skills, attend educational workshops, exhibits, and symposia presented by professionals, meet people with similar interests from across the globe, and attend fun, exciting general sessions with the opportunity to be recognized for your hard work!

This year, HOSA members lifted each other up — encouraging each other to move beyond our comfort zones. We moved beyond what we and others thought was possible. We used our potential to achieve beyond our wildest dreams. And most of all — after a couple of years unlike any other, we showed up stronger than ever before, moving beyond all limits.

Our members — firm in their convictions — have continued to leverage the opportunities HOSA provides to become leaders and advocates in the global health community. Our advisors — resilient — have continued to rise to the challenge in support of students across the globe. And our partners — gracious — understand the impact HOSA can have on the health industry, realizing firsthand that we can’t take our health — or the future of health — for granted.

Your International Executive Council is so very excited as our HOSA family comes together this June 21-24, 2023. We look forward to celebrating you, your accomplishments, and your aspirations in Dallas, Texas!

So — what do you say? Let’s move beyond all limits — together — this June at HOSA’s largest event of the year: the 2023 International Leadership Conference. We’ll see you there!

With love — today, tomorrow, and always,

Kartik Tyagi
HOSA International President

COMPETITIVE EVENTS

Competitive Events Online Headquarters
All information about Competitive Events for ILC will be available at: hosa.org/ilccompete. It is vital to check this webpage regularly for updates. To be successful in competition, members will be familiar with the information shared on this page.

CE Schedule
All competitive events will take place Wednesday afternoon, June 21 – Friday, June 23, 2023. The tentative schedule, once available, for each competitive event can be found online at: hosa.org/ilccompete.

CE Important Dates:
April 1, 2023:
• Emotional Well-Being Challenge Tallo upload due

May 15, 2023
• Competitive Event Tallo uploads due
  • Check event guidelines for requirements
  • No ILC appointments will be assigned if there is no Tallo upload by the published deadline!
• HOSA Activity Tracking System (HATS) entries approved
  • all hours/dollars must be approved by local advisors prior to May 15
  • used for HOSA Service Project and Barbara James Service Award
• National Geographic Learning Academic Testing Center (NGL ATC) registration deadline. One test is complimentary and included in the $90 registration fee for every HOSA delegate in secondary, postsecondary/collegiate, and alumni divisions. Additional tests are available for $20 per test.

June 12, 2023
• Competitor Appointment Times for selected events posted online

Competitor Appointment Times
Based on the Competitive Event Schedule posted winter 2023 at hosa.org/ilccompete, competitors will know the 3-4 hours’ time in which their competitive event will take place. In events with NO round one test, competitors will also need to know their specific appointment time.

These events include the following:
• Health Professions: Clinical Specialty, Family Medicine Physician, Personal Care.
• Emergency Preparedness: Life Support Skills, Mental Health Promotion, MRC Partnership, Public Health.
• Leadership: Interviewing Skills, Job Seeking Skills, Prepared Speaking, Researched Persuasive Writing & Speaking, Research Poster, Speaking Skills.
• Teamwork: Community Awareness, Health Career Display, Health Education, Medical Innovation, Public Service Announcement.

Competitors should arrive no more than 15 minutes earlier than their given appointment time. Providing appointment times allows competitors to arrive for competition close to when they will see judges and prevents them from waiting for hours outside of the competition doors. For example, an event may be scheduled to take place between 1:00 – 5:00 pm on Thursday, but specific competitor appointment times may be given at 1:00, 1:15, 1:30, etc. All appointment times for the above listed events will be posted online on June 12, 2023. Sharing appointment times early will allow competitors to ensure they are registered in the correct events, and to plan their ILC time accordingly. Be sure you arrive for your Competitor Appointment Time, NOT for the Event Volunteer Meeting that is only for event volunteers and takes place prior to the start of competition.

Round Two Appointment Times – For all events with a round two, the list of round two finalists will be posted online and in the HOSA app according to the CE Schedule. The list of finalist’s names will also include their specific appointment time with judges, as well as a “Round Two Info Sheet” that describes how Round Two will take place. The Round Two info sheets will be especially important to review for any skill events taking place at off-site college/university locations.

Off-site skill locations - Most of the Health Professions round two skill events will take place at locations off-site from the Kay Bailey Hutchison Convention Center, including Dallas College and Texas Tech University. Transportation is provided for competitors who advance to Round Two in these events. Check the CE Schedule Online and Round Two Information Sheets for applicable event bus departure times and locations.

Testing
For all competitive events with a round one test, or events that are test-only, there will be a designated room and time, as listed in the CE Schedule, to take these tests. Competitors will arrive at the “Testing Room” at the time listed for their test. Competitors will have rolling start times, meaning you will not start all at once for your test. Competitors are responsible for monitoring their own testing time! There will be large clocks positioned in the room for competitors to use.

A time stamp will be placed at the top of each competitor’s test to indicate their “start time.” When they are done testing, competitors will turn in their test booklet and testing scantron at the check-out tables. Testing Room Proctors will be checking the “time stamps” to ensure the competitor has completed the test within the allowable time frame.

In all events, a 10-minute buffer will be given to competitors. For example, if a test allows 60 minutes, then competitors will have 70 minutes from the “start time” that was stamped on their test to submit their test at the checkout station. With this Testing Room setup, competitors can expect the entire room to have competitors flowing in and out, all day.

Competitor Orientations
Competitor orientation videos, once available, will be shared at: hosa.org/ilccompete. Competitors should look for this orientation video, visit this webpage often, and most importantly... read the guidelines!

Dress Code
There is a difference between CE Dress Code and General Session Dress Code. Please be sure you review the Dress Code Poster and Appendix found at: hosa.org/appendices.

Room Setup
As we continue to grow and see the increased number of competitors at ILC, competition space can be challenging. This year, there will be some events that will be sharing large ballrooms. We have set the ballrooms into “pods” to simulate the feel of an individual room. There may be pipe and drape between “pods” as we are able. This setup will be the same for all competitors in the applicable events to create a fair event environment.
Tallo and Wufoo (Digital Uploads)
Numerous ILC events have a required upload to Tallo (for Secondary/Postsecondary/Collegiate) or to a Wufoo link (Middle School). Please check the event guidelines for the specific requirements for each event – a copy of your portfolio? a copy of your photos? a copy of your research paper?

Even if competitors uploaded to Tallo for the state conference, you MUST upload content again to the ILC Opportunity in Tallo for judging at ILC. Since Middle School students do not meet the age requirement to use Tallo, their required materials will be uploaded via a Wufoo form that is linked in the event guidelines. The deadline is May 15 for both Tallo and Wufoo uploads.

Appointment times will NOT be assigned to any competitor/team missing a required digital upload by the May 15 deadline! You will not be able to compete at ILC without the digital upload submitted by May 15.

For a full list of events that have an ILC required Tallo upload, and for Tallo instructions, view the event guidelines or visit: https://hosa.org/competitive-events-and-tallo/

HOSA Activity Tracking System Reminders
The HOSA Activity Tracking System (HATS) is used for the HOSA Service Project and Barbara James Service Award.

The deadline is May 15. HOSA members may continue to accrue service hours and donations until May 15. After May 15, HOSA will pull reports of all APPROVED hours/donations for ILC recognition. Local Advisors must login to the system and APPROVE all needed hours/dollars by the May 15 deadline to ensure all eligible HOSA members are recognized.

ILC Registration Note: HOSA Service Project and Barbara James Service Award will still be listed as competitive event options in the ILC Registration System. However, ONLY those members and chapters with APPROVED hours/donations from the HOSA Activity Tracking System will be recognized at the ILC Recognition Session.

National Geographic Learning Academic Testing Center for Future Health Professionals (NGL ATC)
HOSA members and alumni are eligible to compete in the National Geographic Learning Academic Testing Center. Delegates must be registered for HOSA’s ILC to be eligible to take an ATC test. One test is complimentary and included in the $80 registration fee for every HOSA delegate in secondary, postsecondary/collegiate, and alumni divisions. Additional tests are available for $20 per test. There is no maximum limit to the number of NGL ATC tests that can be taken at ILC if the competitor can logistically sit to test in all events for which they are registered. The NGL ATC will be open at ILC on Wednesday from 10:00 am – 3:00 pm, Thursday from 8:00 am – 5:00 pm, and Friday from 8:00 am – 1:00 pm. Competitors can test any time at their availability during these times, subject to seat availability. Friday becomes busy, so it is advised that NGL ATC tests are taken at your earliest convenience to ensure your spot during scheduled testing windows. NO WALK-UP registrations will be taken. All NGL ATC test registrations should be completed with regular conference registrations by the deadline of June 20, 2023.

Arrive on Time
Representing a chartered association as one of only three (3) competitors in an event at the HOSA ILC is an extraordinary honor. This privilege is an exciting experience with opportunities to share your knowledge and hard work in order to be recognized for your accomplishments. Therefore, it is the competitor’s responsibility to arrive ready to compete as scheduled in the ILC agenda on HOSA’s website and App.

Special accommodations will NOT be made for competitors who fail to arrive to their event on time; therefore, you should remember:
• Dallas airport is approximately 30 minutes from the hotel (if there are no traffic problems).
• ILC housing is spread among multiple hotels. (When you receive your hotel assignment, check the travel time from your hotel to the Kay Bailey Hutchison Convention Center.)

Reminder: make-up tests or other accommodations will NOT be given for late arrivals*; missed bus; missed route; missed time; missed location; read the agenda wrong; ‘someone told me wrong,’ etc. *Acts of God exception will be considered on a case-by-case basis with the competitor, State Advisor and CE Management Team.

Recognition Events
For applicable recognition events, all HOSA members who earn recognition will have their name posted on the HOSA website and will receive a recognition certificate and pin. If you are not attending the ILC, certificates and pins will be given to the State Advisor at registration for distribution. Those members attending the International Leadership Conference and earning recognition will walk across the stage during the International Recognition Session to receive their pin.

Tips for Success in ILC Competitive Events
Preparation and understanding are the keys to success in HOSA competitive events. Our goal is for every competitor to have a positive event experience, and we believe that happens when competitors know what to expect and prepare to the best of their ability.

Study the Guidelines
To be successful, you must follow the rules! Read your guidelines multiple times and do not forget to read the general rules and regulations. We all miss things the first time we read the directions, and in HOSA competitive events, you do not want to miss a thing.

Equipment, Supplies and Skills
It is a bad experience for competitors and judges when a HOSA member arrives at an event without the necessary equipment. It is even worse when the competitor walks into a room to perform a skill and has no idea how to demonstrate the skill.

You should always check the event guidelines for the “Competitor Must Provide” box to see a listing of all the equipment you are required to bring to your event.

At the ILC, any of the skills in the guidelines can be part of the event scenario. BE SURE you have mastered EVERY SKILL in the guidelines.

Scantrons and Pencils
Many HOSA events include a Round One test and the use of Scantron forms. Hotel tables are not smooth and will be covered with a tablecloth. You will need to place the Scantron ON THE TEST when you bubble.

Two sharpened #2 pencils are a MUST so do not forget!

Adapting to Change
When you compare state and international HOSA conferences, you are going to notice some differences. Hotel space is different, the number of competitors is different, and the materials/resources available are different. You may have had a prep room all to yourself in state competition, only to find two or more teams sharing the same prep room for international competition.

Here is what you need to remember:
1) We are doing the best we can with the space and time in which we must work, and
2) All the other competitors in your event are having a similar experience.

Be cool, be prepared, and focus on doing your best!

Official HOSA UNIFORM AND DRESS CODE

HOSAs dress code policy has different areas of emphasis: general session dress; competitive events dress; and official function dress (workshops, HOSA expo and social activities). Refer to our poster for a visual dress code at hosa.org/appendices.

General Session Dress (REQUIRED): Official HOSA Uniform Policy:
- Tailored navy blazer with emblem affixed over the heart
- Matching navy slacks or navy knee-length skirt
- White, closed-neck, tailored dress shirt suitable for tie or scarf
- Accents: maroon HOSA scarf or maroon long tie
- Closed-toe blue or black shoes (hose optional)
- Belt (blue or black)
- Head covers that are required for religious purposes or to honor cultural tradition are allowed

Non-uniform Alternative:
- Black or navy blue suit
- White, closed-neck, tailored dress shirt suitable for tie or scarf
- White blouse (can be member's choice)
- Accents: maroon or navy long tie
- Members may choose to wear knee-length skirt or slacks
- Closed-toe blue or black shoes (hose optional)
- Belt (blue or black)
- Head covers for religious purposes or to honor cultural tradition are allowed

Competitive Events Dress Attire:
Delegates must adhere to the policy as specified in the individual competitive event guidelines for the orientation and event in which they are competing. If the competitive event guidelines identify business attire is appropriate, competitors can either wear the official HOSA uniform or any of the following dress is acceptable (color is not specified for clothing or shoes for competition):
- Suit
- Shirts
- Sports Jackets
- Pants

Clinical or Occupational Attire:
If the competitive event guidelines identify clinical uniform or attire appropriate to the occupational area for skill events, the following dress is acceptable (can be of any color/design, with or without a HOSA emblem):
- Scrubs, EMS attire, CERT attire
- Khaki pants with polo top
- Clinical or tennis shoes
- Shorts and flip-flops are not acceptable HOSA clinical attire.

Process for Awarding Competitive Event Dress Bonus Points:
- For all competitive events, five (5) bonus points will be added in Tabulations once per competitor and/or team for appropriate dress. In team events, all team members must be properly dressed to receive the bonus points. Exceptions are as noted in the event guidelines.
- At the ILC, dress bonus points are awarded unless a dress violation is agreed upon by the Event Manager and a member of the HOSA CE staff. The Event Manager must notify the Event Lieutenant or Category Chair. When dress points are not awarded, this must be indicated on the HOSA Event Section Summary form, and signed by a member of the CE Program staff.
- Judges are NOT responsible for the awarding of dress bonus points; this is handled by competitive event personnel.

Competitive Events Dress Tips:
No policy can possibly cover all contingencies so HOSA members must use a certain amount of judgment in their choice of clothing to wear for HOSA competition. HOSA members who experience uncertainty about acceptable HOSA attire should ask his/her HOSA local or state advisor.

Unacceptable Attire for Competition
This list is not limited to these specific examples:
- Casual tank, crop or tube tops
- T-shirts, sweatpants, sweatshirts
- Shorts, capri pants, or other short pants.
- Denim clothing or canvas shoes
- Beach or swim wear, athletic wear, sheer or mesh clothing
- Clothing revealing excessive skin or under garments.
- Torn, dirty or frayed clothing
- Clothing with obscene, offensive or suggestive art or print
- Flip-flops or thong sandals

Note about HOSA’s Dress Code Policy:
Head covers for religious purposes or to honor cultural tradition are allowed. Competitors should dress appropriately, based on the dress standards outlined for the gender to which they identify.

Official Function Dress (Workshops, HOSA Expo and Social Activities):
Appropriate business attire is required for official functions including the HOSA Expo and workshops in conjunction with the ILC. Social activities dress code will include everything EXCEPT: athletic clothing, swim wear, sheer or mesh clothing, tank tops, muscle shirts, crop tops and clothing with obscene or suggestive printing. Shirt straps must be two inches wide and the length of shorts and skirts must be at minimum to the fingertip.
