

Clinical Specialty

New for 2023 – 2024

Tallo has been replaced with the HOSA Digital Upload System.

Skills that cannot be duplicated for the new Respiratory Therapy and Phlebotomy events have been added to the list on page 7. These guidelines are written for ILC. States may modify events or have different event processes and deadlines. Be sure to check with your Local/State Advisor (or state website) to determine how the event is implemented for the regional/area or state conference. Editorial updates have been made.

Event Summary

Clinical Specialty provides members with the opportunity to gain knowledge and skills about a health career of their choosing. This competitive event consists of three items: the development of a career portfolio, a video demonstration of a selected skill common to the chosen health career and a live presentation to the judges. This event aims to inspire members to learn more about a health-related career and become skilled future health professionals.

Event Sponsorship

This event is sponsored by [SimRated](#).

Dress Code

Competitors Must Provide:

- ☐ [Photo ID](#)
- ☐ Tablet, portable DVD player, or laptop computer with recorded skill video
- ☐ Portfolio uploaded to the HOSA Digital Upload System by May 15 for ILC competition (see advisor regarding SLC requirements and deadlines)
- ☐ Two #2 lead pencils (not mechanical) with eraser for evaluation
- ☐ Index cards or electronic notecards (optional)

Competitors shall wear official HOSA uniform or proper business attire. Bonus points will be awarded for [proper dress](#).

General Rules

1. Competitors in this event must be active members of HOSA and in good standing.
2. **Eligible Divisions:** Secondary and Postsecondary/Collegiate divisions are eligible to compete in this Event.

3. Competitors must be familiar with and adhere to the "[General Rules and Regulations of the HOSA Competitive Events Program \(GRR\)](#)."
 - A. Per the [GRRs](#) and [Appendix H](#), HOSA members may request accommodation in any competitive event. To learn the definition of an accommodation, please read [Appendix H](#). To request accommodation for the International Leadership Conference, [submit the request form here](#) by May 15 at midnight EST.
 - B. To request accommodation for any regional/area or state level conferences, submit the request form [here](#) by your state published deadline. Accommodations must first be done at state in order to be considered for ILC.
4. All competitors shall report to the site of the event at the time designated for each round of competition. At ILC, competitor's [photo ID](#) must be presented prior to ALL competition rounds.

Career Selection

5. The competitor will choose ONE health career that they are interested in. The ONE career chosen will be used for the portfolio, video of skill, and in the live presentation to judges.
6. The career must be a HEALTH career. For example, careers such as firefighter, flight attendant and special education teacher are not classified as health careers.
7. Competitors should also be sure to choose a specific Health Career and not an area of specialty. For example, "Medical Examiner" is a health career, "Forensics" is not.
8. The career must have at least one clinical skill that can be learned and demonstrated by the competitor.
9. For a sample list of health careers, visit the [National Consortium for Health Science Education](#) and [Explore Health Careers](#) websites.

Skill Selection

10. The selected skill may NOT duplicate any skill currently used in any HOSA Competitive Event. For a full list, please refer to the "Skill Selection Requirements" found on pages 6-7.

The Career Portfolio - Pre-judged Digitally

11. The competitor will create a maximum 12-page + reference page(s) career portfolio that contains evidence of research, a work-based learning experience, and a technical skill from the same selected health profession. A portfolio will be uploaded to ~~Tall~~ by May 15th (see below for instructions).
12. Portfolio formatting must include:
 - a. Pages typed, single-sided,
 - b. 12 pt. Arial font, double-spaced, in English,
 - c. 1" margins on 8 1/2" x 11" paper,
 - d. Running header with last name & event name on top left side of page, and page number top right side of each page (not counting title page).
13. The contents of the portfolio may be in narrative form and/or outline style with bullet points, but MUST use section headers and include:
 - a. **Title Page** includes event name, competitor's name, HOSA division, HOSA Chapter #, school name, Chartered Association, chosen health profession, & chosen skill. Title page is centered, and one page only (A creative design or pictures may be used but will not affect the score).

- b. **Career Summary-** Provides career information that is complete, clear, and comprehensive – to include a description of the career, job duties, and employment characteristics. Can also discuss details/traits including (but not limited to): Career environment, technological needs, work schedule, personal characteristics, etc.). Max two pages.
- c. **Education, Training, Credentialing Professional Association, and Career-related Data and Statistics-** Information about educational requirements and options, credentialing requirements and related professional associations. Referenced data related to occupational outlook, employment statistics, and other career-related data. Max two pages.
- d. **Interview Summary-** narrative summary of interview with a professional in this career that demonstrates thoughtful questioning and comprehension of answers. Must include name of professional, job title, work location, and experience. Should also reflect questions asked that may not be answered using text or online research. Max two pages. ** This interview must be with a practicing health professional in the competitor's chosen field and may NOT include the competitor's instructor or HOSA advisor.*
- e. **Work-based Learning Form -** Completion of a work-based learning experience (job shadow) and form (pg.9 of the guidelines) documenting a minimum of 8 hours of job shadowing; and when the experience took place. Must be completed by the health professional shadowed for the experience. One page only.
- f. **Learning Outcomes Summary-** This complete, clear and comprehensive narrative should include the following:
 - i. description of who, what, where and when the experience took place
 - ii. insight and understanding of the work environment and career
 - iii. a thoughtful summary of learning outcomes as a result of the experience (what the competitor learned)
 - iv. alignment with chosen health career
 - v. One page only; including subtitle
- g. **Skill Checklist** (maximum of 2 pages)
 - i. The competitor will select a skill that is performed by professionals in the chosen health career field, will develop a one-to-two-page skill checklist for the selected skill, and will perform the selected skill while being digitally recorded.
 - ii. The word-processed skill checklist must follow the template in these guidelines and include at least 10 steps that would be performed as part of the skill. Steps should be broken down into logical sub-parts as needed for clarity.
 - iii. **The skill must be one that the competitor can learn to actually perform/demonstrate.** The skill demonstration may use a model but must be safely performed/simulated and not simply verbalized. The competitor must be seen in the video performing/simulating the skill.
 - iv. Remember that the purpose of this event is to develop career awareness. The chosen skill should serve that purpose. For example, a nursing assistant may need to operate a fax machine, but “faxing a document” would not be a good skill to choose for the career of nursing assistant because it does not promote understanding of the chosen career. The judge(s) will use the skill checklist developed by the competitor to rate the overall skill performance.
- h. **Reference Page.** List the literature cited to give guidance to the portfolio. American Psychological Association (APA) is the preferred resource in Health Sciences. *Points will be awarded for compiling a clean, legible reference page, but the formatting of the reference page is not judged.*

- i. **Note to competitors:** Competitors may choose to bring a hard copy of their portfolio to ILC competition, to reference during the presentation if they wish, but it is not required nor judged during the presentation.

REQUIRED Digital Uploads

14. The following item(s) **MUST** be uploaded to the HOSA Digital Upload System by May 15:
 - a. Portfolio – as one combined pdf file.

May 15 at midnight EST is the **final deadline** and there will be **NO EXCEPTIONS** to receipt of the required materials after the deadline.
15. Detailed instructions for uploading materials can be found at:
<https://hosa.org/competitive-event-digital-uploads/>
16. State Leadership Conference (SLC) vs. HOSA's International Leadership Conference (ILC)
 - a. **State Leadership Conferences.** It is the competitor's responsibility to check with their Local Advisor for all state-level processes used for competition as digital uploads may or may not be a requirement.
 - b. **International Leadership Conference.**
 - i. If a competitor uses the HOSA Digital Upload System as a requirement at the SLC, the competitor **MUST upload an ADDITIONAL time for ILC by May 15.**
 - ii. If the HOSA Digital Upload System is NOT used at the competitor's SLC, it is still the competitor's responsibility to upload the product for HOSA's ILC no later than May 15. Not using the HOSA Digital Upload System at a competitor's State Leadership Conference is not an exception to the rule.
17. The FINAL ILC digital upload deadline is May 15. We **STRONGLY** suggest not waiting until the last minute to upload online to avoid user-challenges with the system.
18. For ILC, the digital materials uploaded by May 15 will be PRE-JUDGED. Competitors who do not upload materials are NOT eligible for the presentation portion of competition and **will NOT be given a competition appointment time at ILC.** All digital content uploaded as of May 15 is what will be used for pre-judging at ILC.

The Skill Video

19. The competitor will digitally record themselves performing the selected skill, following the same steps from the Skill Checklist they created.
20. The skill video must be of a quality in sound and appearance that allows the judge to evaluate the competitor as they perform the skill.
21. The competitor must be visible in the video performing/simulating the actual skill.
22. The skill video must be short enough to fit within the competitor's six (6) minute presentation. Competitors may choose to share all or part of the skill video during their presentation to judges, but will only have six (6) minutes total for the presentation, including the skill video portion.

The Competitive Process – Presentation to Judges

23. Competitors will report to the event site at their appointed time with:
 - a. A laptop computer/tablet/portable DVD player operating on battery power, for the skill video part of the presentation. The skill will be pre-loaded and ready to play. The information should be clearly visible to judges sitting up to 5 feet away from the screen. HOSA will NOT provide a TV, DVD player, electrical power, wi-fi, AV, screen, or any connecting cables.
 - b. Competitors may choose to bring their portfolio to ILC competition, to reference during the

presentation, but no points are awarded on the rating sheet for doing so.

24. Competitors will have six (6) minutes for their presentation to judges, including the skill video review.
25. The presentation should include the following:
 - a. Explanation of the career (job responsibilities, training, and employment opportunities).
 - b. How the career was selected.
 - c. How the competitor's strengths and personal preferences relate to the chosen career.
 - d. How the career fits into the healthcare system.
 - e. Viewing of the skill video from electronic device competitor brought.

During this time, the competitor will show the skill demonstration and talk about the skill performance. The purpose of the presentation and skill review is to evaluate the competitor's knowledge and understanding of the skill and career, as it relates to the health system.

 - i. During the six-minute round two presentation, all or part of the skill video should be shown. The amount of the skill video, and which part(s) of the skill video shown is at the discretion of the competitor. The competitor should select enough of the skill video to best illustrate their competence in performing the skill.
 - ii. The competitor may use the fast forward or reverse functions when showing the skill to judges.
26. The timekeeper will announce the time when there is one (1) minute remaining in the presentation. The timekeeper will stop the presentation after six (6) minutes and the competitor will be excused.
27. Use of index card notes during the interview are permitted. Electronic notecards (on a tablet, smart phone, laptop, etc...) are permitted, but may not be shown to judges (other than recorded skill video). Only the competitor's laptop and portfolio may be shown to the judges during the presentation. Please refer to [GRR #31](#).

Final Scoring

28. Scores from pre-judged portfolios will be added to the presentation score to determine the final results.
29. In the event of a tie, a tiebreaker will be determined by the areas on the rating sheet section(s) with the highest point value in descending order.
