New for 2023 – 2024
Tallo has been replaced with the HOSA Digital Upload System. Skills that cannot be duplicated for the new Respiratory Therapy and Phlebotomy events have been added to the list on page 7. These guidelines are written for ILC. States may modify events or have different event processes and deadlines. Be sure to check with your Local/State Advisor (or state website) to determine how the event is implemented for the regional/area or state conference. Editorial updates have been made.

Event Summary
Clinical Specialty provides members with the opportunity to gain knowledge and skills about a health career of their choosing. This competitive event consists of three items: the development of a career portfolio, a video demonstration of a selected skill common to the chosen health career and a live presentation to the judges. This event aims to inspire members to learn more about a health-related career and become skilled future health professionals.

Event Sponsorship
This event is sponsored by SimRated.

Dress Code

Competitors Must Provide:
- Photo ID
- Tablet, portable DVD player, or laptop computer with recorded skill video
- Portfolio uploaded to the HOSA Digital Upload System by May 15 for ILC competition (see advisor regarding SLC requirements and deadlines)
- Two #2 lead pencils (not mechanical) with eraser for evaluation
- Index cards or electronic notecards (optional)

Competitors shall wear official HOSA uniform or proper business attire. Bonus points will be awarded for proper dress.

General Rules
1. Competitors in this event must be active members of HOSA and in good standing.

2. Eligible Divisions: Secondary and Postsecondary/Collegiate divisions are eligible to compete in this Event.
3. Competitors must be familiar with and adhere to the “General Rules and Regulations of the HOSA Competitive Events Program (GRR).”
   A. Per the GRRs and Appendix H, HOSA members may request accommodation in any competitive event. To learn the definition of an accommodation, please read Appendix H. To request accommodation for the International Leadership Conference, submit the request form here by May 15 at midnight EST.
   B. To request accommodation for any regional/area or state level conferences, submit the request form here by your state published deadline. Accommodations must first be done at state in order to be considered for ILC.

4. All competitors shall report to the site of the event at the time designated for each round of competition. At ILC, competitor’s photo ID must be presented prior to ALL competition rounds.

Career Selection
5. The competitor will choose ONE health career that they are interested in. The ONE career chosen will be used for the portfolio, video of skill, and in the live presentation to judges.

6. The career must be a HEALTH career. For example, careers such as firefighter, flight attendant and special education teacher are not classified as health careers.

7. Competitors should also be sure to choose a specific Health Career and not an area of specialty. For example, “Medical Examiner” is a health career, “Forensics” is not.

8. The career must have at least one clinical skill that can be learned and demonstrated by the competitor.

9. For a sample list of health careers, visit the National Consortium for Health Science Education and Explore Health Careers websites.

Skill Selection
10. The selected skill may NOT duplicate any skill currently used in any HOSA Competitive Event. For a full list, please refer to the “Skill Selection Requirements” found on pages 6-7.

The Career Portfolio - Pre-judged Digitally
11. The competitor will create a maximum 12-page + reference page(s) career portfolio that contains evidence of research, a work-based learning experience, and a technical skill from the same selected health profession. A portfolio will be uploaded to Tallo by May 15th (see below for instructions).

12. Portfolio formatting must include:
   a. Pages typed, single-sided,
   b. 12 pt. Arial font, double-spaced, in English,
   c. 1” margins on 8 ½” x 11” paper,
   d. Running header with last name & event name on top left side of page, and page number top right side of each page (not counting title page).

13. The contents of the portfolio may be in narrative form and/or outline style with bullet points, but MUST use section headers and include:
   a. Title Page includes event name, competitor’s name, HOSA division, HOSA Chapter #, school name, Chartered Association, chosen health profession, & chosen skill. Title page is centered, and one page only (A creative design or pictures may be used but will not affect the score).
b. **Career Summary**- Provides career information that is complete, clear, and comprehensive—to include a description of the career, job duties, and employment characteristics. Can also discuss details/traits including (but not limited to): Career environment, technological needs, work schedule, personal characteristics, etc.). Max two pages.

c. **Education, Training, Credentialing Professional Association, and Career-related Data and Statistics**- Information about educational requirements and options, credentialing requirements and related professional associations. Referenced data related to occupational outlook, employment statistics, and other career-related data. Max two pages.

d. **Interview Summary**- narrative summary of interview with a professional in this career that demonstrates thoughtful questioning and comprehension of answers. Must include name of professional, job title, work location, and experience. Should also reflect questions asked that may not be answered using text or online research. Max two pages. *This interview must be with a practicing health professional in the competitor's chosen field and may NOT include the competitor's instructor or HOSA advisor.*

e. **Work-based Learning Form** - Completion of a work-based learning experience (job shadow) and form (pg.9 of the guidelines) documenting a minimum of 8 hours of job shadowing; and when the experience took place. Must be completed by the health professional shadowed for the experience. One page only.

f. **Learning Outcomes Summary**- This complete, clear and comprehensive narrative should include the following:
   i. description of who, what, where and when the experience took place
   ii. insight and understanding of the work environment and career
   iii. a thoughtful summary of learning outcomes as a result of the experience (what the competitor learned)
   iv. alignment with chosen health career
   v. One page only; including subtitle

g. **Skill Checklist** (maximum of 2 pages)
   i. The competitor will select a skill that is performed by professionals in the chosen health career field, will develop a one-to-two-page skill checklist for the selected skill, and will perform the selected skill while being digitally recorded.
   ii. The word-processed skill checklist must follow the template in these guidelines and include at least 10 steps that would be performed as part of the skill. Steps should be broken down into logical sub-parts as needed for clarity.
   iii. **The skill must be one that the competitor can learn to actually perform/demonstrate.** The skill demonstration may use a model but must be safely performed/simulated and not simply verbalized. The competitor must be seen in the video performing/simulating the skill.
   iv. Remember that the purpose of this event is to develop career awareness. The chosen skill should serve that purpose. For example, a nursing assistant may need to operate a fax machine, but “faxing a document” would not be a good skill to choose for the career of nursing assistant because it does not promote understanding of the chosen career. The judge(s) will use the skill checklist developed by the competitor to rate the overall skill performance.

h. **Reference Page**. List the literature cited to give guidance to the portfolio. American Psychological Association (APA) is the preferred resource in Health Sciences. Points will be awarded for compiling a clean, legible reference page, but the formatting of the reference page is not judged.
i. **Note to competitors:** Competitors may choose to bring a hard copy of their portfolio to ILC competition, to reference during the presentation if they wish, but it is not required nor judged during the presentation.

**REQUIRED Digital Uploads**

14. The following item(s) **MUST** be uploaded to the HOSA Digital Upload System by May 15:
   a. Portfolio – as one combined pdf file.

   *May 15 at midnight EST is the final deadline* and there will be **NO EXCEPTIONS** to receipt of the required materials after the deadline.

15. Detailed instructions for uploading materials can be found at: [https://hosa.org/competitive-event-digital-uploads/](https://hosa.org/competitive-event-digital-uploads/)

16. State Leadership Conference (SLC) vs. HOSA's International Leadership Conference (ILC)
   a. **State Leadership Conferences.** It is the competitor’s responsibility to check with their Local Advisor for all state-level processes used for competition as digital uploads may or may not be a requirement.
   b. **International Leadership Conference.**
      i. If a competitor uses the HOSA Digital Upload System as a requirement at the SLC, the competitor **MUST upload an ADDITIONAL time for ILC by May 15.**
      ii. If the HOSA Digital Upload System is NOT used at the competitor’s SLC, it is still the competitor’s responsibility to upload the product for HOSA’s ILC no later than May 15. Not using the HOSA Digital Upload System at a competitor’s State Leadership Conference is not an exception to the rule.

17. The FINAL ILC digital upload deadline is May 15. We STRONGLY suggest not waiting until the last minute to upload online to avoid user-challenges with the system.

18. For ILC, the digital materials uploaded by May 15 will be **PRE-JUDGED.** Competitors who do not upload materials are **NOT** eligible for the presentation portion of competition and **will NOT be given a competition appointment time at ILC.** All digital content uploaded as of May 15 is what will be used for pre-judging at ILC.

**The Skill Video**

19. The competitor will digitally record themselves performing the selected skill, following the same steps from the Skill Checklist they created.

20. The skill video must be of a quality in sound and appearance that allows the judge to evaluate the competitor as they perform the skill.

21. The competitor must be visible in the video performing/simulating the actual skill.

22. The skill video must be short enough to fit within the competitor’s six (6) minute presentation. Competitors may choose to share all or part of the skill video during their presentation to judges, but will only have six (6) minutes total for the presentation, including the skill video portion.

**The Competitive Process – Presentation to Judges**

23. Competitors will report to the event site at their appointed time with:
   a. A laptop computer/tablet/portable DVD player operating on battery power, for the skill video part of the presentation. The skill will be pre-loaded and ready to play. The information should be clearly visible to judges sitting up to 5 feet away from the screen. HOSA will NOT provide a TV, DVD player, electrical power, wi-fi, AV, screen, or any connecting cables.
   b. Competitors may choose to bring their portfolio to ILC competition, to reference during the
presentation, but no points are awarded on the rating sheet for doing so.

24. Competitors will have six (6) minutes for their presentation to judges, including the skill video review.

25. The presentation should include the following:
   a. Explanation of the career (job responsibilities, training, and employment opportunities).
   b. How the career was selected.
   c. How the competitor’s strengths and personal preferences relate to the chosen career.
   d. How the career fits into the healthcare system.
   e. Viewing of the skill video from electronic device competitor brought.
      *During this time, the competitor will show the skill demonstration and talk about the skill performance. The purpose of the presentation and skill review is to evaluate the competitor’s knowledge and understanding of the skill and career, as it relates to the health system.*
         i. During the six-minute round two presentation, all or part of the skill video should be shown. The amount of the skill video, and which part(s) of the skill video shown is at the discretion of the competitor. The competitor should select enough of the skill video to best illustrate their competence in performing the skill.
         ii. The competitor may use the fast forward or reverse functions when showing the skill to judges.

26. The timekeeper will announce the time when there is one (1) minute remaining in the presentation. The timekeeper will stop the presentation after six (6) minutes and the competitor will be excused.

27. Use of index card notes during the interview are permitted. Electronic notecards (on a tablet, smartphone, etc…) are permitted, but may not be shown to judges (other than recorded skill video). Only the competitor’s laptop and portfolio may be shown to the judges during the presentation. Please refer to GRR #31.

**Final Scoring**

28. Scores from pre-judged portfolios will be added to the presentation score to determine the final results.

29. In the event of a tie, a tiebreaker will be determined by the areas on the rating sheet section(s) with the highest point value in descending order.
CLINICAL SPECIALTY

SKILL SELECTION REQUIREMENTS

The career must be a health profession with at least one clinical skill that can be learned and demonstrated as part of the HOSA competitive event process. The skill may not duplicate a skill in an existing Health Professions or Emergency Preparedness event. The following skills are in other events and NOT ALLOWED for this event:

<table>
<thead>
<tr>
<th>Skills in Biotechnology</th>
<th>Skills in Clinical Laboratory Science</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Using Micropipettes and Transfer Pipets</td>
<td>• Identifying Laboratory Instruments / Equipment</td>
</tr>
<tr>
<td>• DNA Gel Electrophoresis-Digested Samples</td>
<td>• Infection Control and Transmission-based Precautions</td>
</tr>
<tr>
<td>• Bradford Protein Quantitation Assay</td>
<td>• ABO Grouping</td>
</tr>
<tr>
<td>• Calculation of Transformation Efficiency</td>
<td>• Preparing a Blood Film or Smear</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Skills in Clinical Nursing</th>
<th>Skills in CPR/First Aid and Life Support Skills</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Administer Medication Intramuscular</td>
<td>• Open Fracture and Splinting</td>
</tr>
<tr>
<td>• Administer Medication Intradermal</td>
<td>• Severe Burns</td>
</tr>
<tr>
<td>• Urethral Catheterization – Straight</td>
<td>• Choking</td>
</tr>
<tr>
<td>• Postmortem Care of the Body</td>
<td>• Two Rescuer Adult BLS and AED</td>
</tr>
<tr>
<td>• Prophylaxis for the Eyes of the Neonate</td>
<td>• Two Rescuer Infant BLS CPR</td>
</tr>
<tr>
<td></td>
<td>• Administer Naloxone (Nasal Spray NARCAN)</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Skills in Dental Science</th>
<th>Skills in EMT</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Dental Instrument Identification</td>
<td>• Patient Assessment: Trauma and Medical</td>
</tr>
<tr>
<td>• Assembly &amp; Disassembly of Local Anesthetic Syringe</td>
<td>• BVM Ventilation: Apneic Adult Patient</td>
</tr>
<tr>
<td>• Seat, Prepare &amp; Dismiss Patient for Basic Dental Exam</td>
<td>• Joint Immobilization / Long Bone Immobilization</td>
</tr>
<tr>
<td>• Treatment Room Disinfecting &amp; Cleaning</td>
<td>• Bleeding Control / Shock Management</td>
</tr>
</tbody>
</table>

Skills in EMT:
- Patient Assessment: Trauma and Medical
- Joint Immobilization / Long Bone Immobilization
- Bleeding Control / Shock Management
- Oxygen Administration by Non-Rebreather Mask
- BVM Ventilation: Apneic Adult Patient
- Administer Epinephrine Pen
- Cardiac Arrest Management / AED
- Administer Naloxone (Nasal Spray NARCAN)
## Skills in Home Health Aide
- Taking an Adult Tympanic Temperature
- Emptying a Urinary Drainage Unit
- Giving a Back Rub
- Moving a Client Up in Bed Using a Drawsheat
- Taking an Apical Pulse
- Changing a Dry Dressing Using Non-sterile Technique
- Caring for Dentures
- Applying Elasticized Stockings

## Skills in Medical Assisting
- Perform a Telephone Screening
- Obtain and Record a Patient Health History
- Prepare/Assist with a Routine Physical Exam
- Test Urine with Reagent Strip
- Receive a New Patient and Create an Electronic Chart
- Measure Height and Weight
- Screen for Visual Acuity
- Sterile Gloving

## Skills in Nursing Assisting and Personal Care
- Donning & Doffing a Full Set of PPE
- Make a Closed Bed
- Transfer Patient from Bed to Chair/Wheelchair
- Caring for an Ostomy
- Make an Occupied Bed
- Admitting a Patient
- Measure and Record Vital Signs
- Handwashing

## Skills in Pharmacy Science
- Patient Screening for Pharmacist Consult
- Withdrawing Liquid from Vial
- Compounding an Oral Suspension
- Verifying Rx Content & DEA #
- Identifying Equipment
- Aseptic Garbing, Hand Washing, and Gloving

## Skills in Phlebotomy
- Handwashing
- Routine ETS Venipuncture, Including Order of Draw
- Heel Puncture
- Accidental Arterial Stick
- Tourniquet Application
- Steps to Follow if a Patient Starts to Faint During Venipuncture
- Removing Contaminated Gloves
- 24 Hour Urine Collection

## Skills in Physical Therapy
- Ambulating with a Transfer (Gait) Belt
- Ambulating with a Cane
- Ambulating with Crutches
- Transfer from Supine to Sitting Position
- Ambulating with a Walker
- Passive Range of Motion
- Cold Pack Application with Ice Bag
- Donning & Removing Transmission-Based Isolation Garments

## Skills in Respiratory Therapy
- Skills in this event are TBD and will be shared September 2023

## Skills in Sports Medicine
- Anatomical Landmark Identification
- Taping – Ankle (Inversion)
- Wrapping - Shoulder Spica
- Preparation of the Operative Site
- Joint Action & Maximum Range of Motion Identification
- Taping – Achilles Tendon
- Taping – Wrist/Hand (Circular Wrist/Figure Eight)
- Lifting and Restraining a Dog
- Simple Fecal Floatation
- Wrapping a Surgical Pack

## Skills in Veterinary Science
- Identification of Companion Animal Breeds
- Preparation of a Feline to Obtain a Temperature
- Identify Instruments/Equipment
- Lifting and Restraining a Dog
- Simple Fecal Floatation
- Wrapping a Surgical Pack

For ILC, the digital materials uploaded by May 15 will be PRE-JUDGED. Competitors who do not upload materials are NOT eligible for competition and will NOT be given a competition appointment time at ILC. All digital content uploaded as of May 15 is what will be used for pre-judging at ILC.

#### A. Portfolio

<table>
<thead>
<tr>
<th>Excellent 10 points</th>
<th>Good 8 points</th>
<th>Average 6 points</th>
<th>Fair 4 points</th>
<th>Poor 0 points</th>
<th>JUDGE SCORE</th>
</tr>
</thead>
</table>

1. Title Page

Title page includes: event name, competitor’s name, HOSA division, chapter number, school name, chartered association, chosen health career, and chosen skill.

- N/A
- N/A
- N/A

#### 2. Career Summary Content

The Career Summary provides complete, clear and comprehensive career information that includes:

1. A description of the career.
2. Description of job duties.
3. Employment characteristics.
4. One of the following: career environment, technological needs, work schedule, personal characteristics.

- The data content provides 5 out of 6 listed criteria in the portfolio and/or
- The data provided is superficial, or vague

- The data content provides 4 out of 6 listed criteria in the portfolio and/or
- The data provided is superficial, or vague

- The data content provides 3 out of 6 listed criteria in the portfolio and/or
- The data provided is incorrect, or questionable

- Portfolio not submitted OR the competitor does not include a career summary in the portfolio.

#### 3. Education, Training, Professional Association and Career Data Content

This data content provides complete, clear and comprehensive information about:

1. Educational requirements and options.
2. Credentialing requirements.
3. Professional Association info.
4. Related employment statistics.
5. Occupational outlook.
6. Additional career-related data.

- The data content provides 5 out of 6 listed criteria in the portfolio and/or
- The data provided is superficial, or vague

- The data content provides 4 out of 6 listed criteria in the portfolio and/or
- The data provided is superficial, or vague

- The data content provides 3 out of 6 listed criteria in the portfolio and/or
- The data provided is incorrect, or questionable

- Portfolio not submitted OR the competitor does not include educational, training, professional association or career data content in the portfolio.
### A. Portfolio

| Excellent | Good | Average | Fair | Poor | JUDGE
|-----------|------|---------|------|------|--------
| 10 points | 8 points | 6 points | 4 points | 0 points | SCORE |

#### 4. Interview Summary

*Interview must be with a practicing health professional and may NOT include the competitor’s instructor or HOSA advisor.*

| Interview Summary | Excellent | Good | Average | Fair | Poor | JUDGE
|-------------------|-----------|------|---------|------|------|--------
| The interview summary provides a complete, clear and comprehensive narrative of: 1. a career-related interview with a professional in a specific health career field (including name, workplace & profession) 2. demonstrates thoughtful questioning and comprehension of the answers. 3. incorporates specific information that can only be learned through conversation or interaction with a professional. | The interview summary provides the criteria in column 1, but does not provide enough detail to gain a full understanding of the interview. | The interview summary provides basic description of the interview with the professional listed in question and answer form OR includes mostly information that can be researched online. | The interview provides mostly information that can be researched online. It is questionable whether or not an interview took place. | Portfolio not submitted OR the competitor did not include details highlighting an interview with a professional in the portfolio OR it was obvious the local HOSA Advisor was used. | SCORE |

#### 5. Work-based Learning Form

| Work-based Learning Form | Excellent | Good | Average | Fair | Poor | JUDGE
|--------------------------|-----------|------|---------|------|------|--------
| The Work-based Learning Form completely documents: 1. minimum 8 hours of job shadowing 2. name of host, title, location of shadow, 3. evaluation of student performance 4. signature of host | The Work-based Learning Form is missing information and/or the information provided is questionable | N/A | N/A | The competitor did not include the Work-based Learning Form | SCORE |

#### 6. Learning Outcomes Summary

| Learning Outcomes Summary | Excellent | Good | Average | Fair | Poor | JUDGE
|---------------------------|-----------|------|---------|------|------|--------
| The complete, clear and comprehensive Learning Outcomes Summary of a work-based learning experience included the following: 1. description of who, what, where and when the experience took place 2. demonstrates insight and understanding of the work environment and career 3. a thoughtful summary of learning outcomes (what the competitor learned) as a result of the experience 4. aligns with chosen health career 5. One page only; including subtitle | The Learning Outcomes Summary includes 4 of the 5 criteria in the portfolio but some information provided is superficial, or vague | The Learning Outcomes Summary includes 3 of the 5 criteria in the portfolio, and/or information provided is superficial, or vague | The Learning Outcomes Summary includes 2 of the 5 criteria in the portfolio | The competitor does not include a work-based learning summary | SCORE |

</table>

**Subtotal Points for Pre-Judging Portfolio (85)**
### Presentation Content

#### 1. Understanding of the career (job responsibilities, training, employment opportunities)
- **Excellent** (10 points): The competitor thoroughly and accurately understands the requirements that go into the job, is able to explain how to prepare for the job but fails to address how to access opportunities for employment.
- **Good** (8 points): The competitor demonstrates an understanding of the career and how to prepare for the job, but fails to address how to access future opportunities for employment.
- **Average** (6 points): The competitor demonstrates an understanding of the career and how to prepare for the job, but fails to address how to access future opportunities for employment.
- **Fair** (4 points): The competitor demonstrates a basic understanding of the career. Very little detail is provided.
- **Poor** (0 points): The competitor does not provide evidence of understanding the job responsibilities, future employment opportunities.

#### 2. Explanation of how career was selected
- **Excellent** (10 points): The competitor thoroughly and with detail explains why the career was selected.
- **Good** (8 points): The competitor briefly mentions why the career was selected, but could have expanded on the reasoning.
- **Average** (6 points): The competitor briefly mentions why the career was selected, but could have expanded on the reasoning.
- **Fair** (4 points): No attempt was made to explain why the career was selected.

### Presentation Content

#### 3. Ability to relate personal strengths and preferences to the career
- **Excellent** (10 points): The competitor was able to relate personal strengths and preferences to the selected career by identifying several (4 or more) strong connections to the characteristics of the job requirements and their own attributes and abilities.
- **Good** (8 points): The competitor made 3 or more somewhat strong connections between their own personal strengths and the preferences to the career of choice.
- **Average** (6 points): The competitor identified 1 weak connection between their own personal strengths and the aptitudes required of the career of choice.
- **Fair** (4 points): The competitor was not able to make any connections between their own aptitudes and abilities and the career of choice.

#### 4. Ability to articulate how the career fits into the healthcare system
- **Excellent** (10 points): The competitor demonstrated a strong understanding of how the chosen career fits into the healthcare system.
- **Good** (8 points): The competitor understands how the chosen career fits into the healthcare system but struggled to articulate this well.
- **Average** (6 points): The competitor vaguely addressed how the career fits into the healthcare system.
- **Fair** (4 points): The competitor did not appear to understand how the career fits into the healthcare system.

### Presentation Delivery

#### 1. Voice
- **Excellent** (5 points): The competitor’s voice was loud enough to hear. The competitor varied rate & volume to enhance the speech. Appropriate pausing was employed.
- **Good** (4 points): The competitor spoke loudly and clearly enough to be understood. The competitor varied rate or volume to enhance the speech. Pauses were attempted.
- **Average** (3 points): The competitor could be heard most of the time. The competitor attempted to use some variety in vocal quality, but not always successfully.
- **Fair** (2 points): Judges had difficulty hearing/understanding much of the speech due to little variety in rate or volume.
- **Poor** (0 points): The competitor’s voice is too low or monotone. Judges struggled to stay focused during the majority of presentation.
