New for 2023 - 2024
Tallo has been replaced with the HOSA Digital Upload System. The number of team members has changed to 2 – 6. These guidelines are written for ILC. States may modify events or have different event processes and deadlines. Be sure to check with your Local/State Advisor (or state website) to determine how the event is implemented for the regional/area or state conference. Editorial updates have been made.

Event Summary
Public Service Announcement provides members with the opportunity to use technology to produce a video public service announcement that informs the community about an important health issue. This competitive event consists of one round and each team consists of 2-6 people. All teams will show their PSA to a panel of judges as well as give a presentation about their creative process. This event aims to inspire members to be pro-active future health professionals by producing a PSA to promote a health service organization, bring awareness to a health situation, or educate the public at large regarding health and well-being.

2023-2024 PSA Topic: Fentanyl Will Kill You

According to the Centers for Disease Control and Prevention, Fentanyl is a synthetic opioid that is up to 50 times stronger than heroin and 100 times stronger than morphine. Fentanyl can be fatal even in small doses. It is reported that over 150 people die each day from an overdose of synthetic opioids like Fentanyl.

You can find information through SAMHSA’s Opioid Overdose Toolkit. The information can be found HERE. The Rand Corporation provides significant information on the opioid crisis. Find the website HERE. An additional resource that may prove helpful is a film made possible by the O’Connell Family Foundation call Dead on Arrival. The 21 minute video can be found HERE.

Successful PSA’s will educate the community on the dangers of Fentanyl and provide helpful strategies to prevent Fentanyl use and overdose. HOSA- Future Health Professionals can make a difference!

Dress
Competitors must be in official HOSA uniform or proper business attire. Bonus points will be awarded for proper dress. All team members must be properly dressed to receive bonus points.

Competitor Must Provide
- ONE team member uploads the PSA link, Airdate form, Copyright form, and Reference pages to the HOSA Digital Upload System by May 15 for ILC competition (see advisor regarding SLC requirements and deadlines)
- Photo ID
- Electronic device on battery power for showing the PSA
- Two #2 lead pencils (not mechanical) with erasers for evaluation
General Rules
1. Competitors in this event must be active members of HOSA in good standing.

2. Eligible Divisions: Secondary and Postsecondary/Collegiate divisions are eligible to compete in this event.

3. Competitors must be familiar with and adhere to the “General Rules and Regulations of the HOSA Competitive Events Program (GRR).”
   A. Per the GRRs, and Appendix H, HOSA members may request accommodation in any competitive event. To learn the definition of an accommodation, please read Appendix H. To request accommodation for the International Leadership Conference, submit the request form here by May 15 at midnight EST.
   B. To request accommodation for any regional/area or state level conferences, submit the request form here by your state published deadline. Accommodations must first be done at state in order to be considered for ILC.

4. All competitors shall report to the site of the event at the time designated for each round of competition. At ILC, competitor’s photo ID must be presented prior to ALL competition rounds.

The PSA - Pre-judged Digitally
5. The PSA must be a video. It is the team’s responsibility to ensure that the PSA is broadcast quality and can be viewed by judges in pre-judging via a hyperlink.

6. The team will choose the genre (comedy, drama, documentary, musical video, etc.) and target audience they think will work best with their PSA to promote the annual topic.

7. Length: The PSA can be no longer than 30-seconds. Running times will be considered as first fade/visual/sound to the last.

8. Title and Credits: The beginning of the PSA may include a title. The end of the PSA may include credits for the team members or HOSA chapter. Teams may use creativity when adding the title and credits to the PSA. The title and credits will be counted in the 30-second time limit.

9. The PSA must be “show ready” which may include a black lead at the beginning and end of each PSA. The pure black lead and end is optional and does not count as part of the 30-second length of the PSA.

10. The PSA must be original with the teams drawing upon artistic, musical, written, and technical skills to create an original video production. The Team may receive instruction in filming and editing from an outside source, however, the actual filming, editing, and all production steps must be accomplished by team members. This does NOT include the actors. Actors may or may not be members of the team. Refer to GRRs. Actors are not required - it is also acceptable to create digital animation and/or cartoons in the PSA.

11. Audience: The team should consider the needs of the target audience when producing the PSA. A PSA that is shown to a school audience may not be appropriate if the target audience is senior citizens, the medical community, etc. Once the team determines the specific goal of the PSA and needs of the target audience, the team should be certain the PSA is seen by the appropriate audience in the community.

12. Airing the PSA:
   The PSA must be shown in the community (ie: at the team’s school, in the community, on a local TV station, and/or on social media.) The accompanying Air Date Form in these guidelines must be completed and submitted. The form attests to the date(s) the PSA was presented, and requires the signatures of the community organization’s executive director, station manager, or school principal to verify it was aired to an appropriate audience.

13. If any kind of music or copyright protected logos or material (including trademarked products) are used in the PSA, the team and the chapter advisor are responsible for obtaining all necessary releases and meeting all legal requirements. Written permission to use copyright-protected material in the PSA. PSA must be uploaded to the HOSA Digital Upload System as part of the Copyright Form.
REQUIRED Digital Uploads
14. The following item(s) MUST be uploaded by ONE member of the team to the HOSA Digital Upload System by May 15:
   A. Reference Page(s): List the literature cited to give guidance to the PSA. American Psychological Association (APA) is the preferred resource in Health Sciences. Points will be awarded for compiling a clean, legible reference page, but the formatting of the reference page is not judged.
   B. Copyright Form
   C. Airdate Form
   D. Link to the PSA 30 second video
      i. Items #14A-C will be uploaded as one combined pdf file. The link to the PSA will be uploaded as a separate hyperlink

May 15 at midnight EST is the final deadline and there will be NO EXCEPTIONS to receipt of the required materials after the deadline.

15. Detailed instructions for uploading materials can be found at: https://hosa.org/competitive-event-digital-uploads/

16. State Leadership Conference (SLC) vs. HOSA’s International Leadership Conference (ILC)
   a. State Leadership Conferences. It is the competitor’s responsibility to check with their Local Advisor for all state-level processes used for competition as digital uploads may or may not be a requirement.
   b. International Leadership Conference.
      i. If a competitor uses the HOSA Digital Upload System as a requirement at the SLC, the competitor MUST upload an ADDITIONAL time for ILC by May 15.
      ii. If the HOSA Digital Upload System is NOT used at the competitor’s SLC, it is still the competitor’s responsibility to upload the product for HOSA’s ILC no later than May 15. Not using the HOSA Digital Upload System at a competitor’s State Leadership Conference is not an exception to the rule.

17. The FINAL ILC digital upload deadline is May 15. We STRONGLY suggest not waiting until the last minute to upload online to avoid user-challenges with the system.

18. For ILC, the digital materials uploaded by May 15 will be PRE-JUDGED. Competitors who do not upload materials are NOT eligible for the presentation portion of competition and will NOT be given a competition appointment time at ILC. All digital content uploaded as of May 15 is what will be used for pre-judging at ILC.

Competitive Process with Judges - The Presentation
19. All teams will report to the event site at their appointed time.

20. At ILC, photo ID must be presented prior to competing.

21. Teams will bring their own laptop computer, tablet, or portable DVD player operating on battery power for showing the PSA. The PSA should be clearly visible to judges sitting up to 5 feet away from the screen. (HOSA will NOT provide a TV, DVD player, electrical power, wi-fi, AV, screen, or any connecting cables.) Teams need to bring their own copy of the PSA, loaded on their computer, in addition to uploading it to the HOSA Digital Upload System.

22. Teams will be ready with their PSA at their appointed time.

23. Team members will operate the equipment they brought to show the PSA to judges. Judges will watch the PSA, along with the team members. Important note: the PSA uploaded to the HOSA Digital Upload System is the version that will be SCORED during pre-judging. The PSA shown by the team to judges at ILC is only used to help give judges context for the team’s presentation. Team’s should not change their PSA between the May 15 upload deadline and the ILC. See the rating sheet for details of what items are scored in pre-judging vs. the presentation.
24. **After** the PSA has been viewed, teams will be given four (4) minutes to describe their creative process, outlining key areas as described on the event rating sheet below. A timecard will be shown when there is one (1) minute remaining. Teams will be stopped after four (4) minutes.

25. Use of index card notes during the presentation are permitted. Electronic notecards (on a tablet, smartphone, laptop, etc…) are permitted, but may not be shown to judges. Only the team's PSA may be shown to the judges during the presentation. Please refer to GRRs.

26. Props or costumes may not be used.

**Final Scoring**

27. Scores from pre-judged PSAs will be added to the presentation score to determine the final results.

28. In the event of a tie, a tiebreaker will be determined by the areas on the rating sheet section(s) with the highest point value in descending order.

Copyright

The use of recorded music in a PSA is not covered by the Fair Practice Act or any educational exemption. Teams should purchase royalty-free music if they use recorded music in their PSA.

Royalty-free music is usually stock, instrumental music purchased for a single fee, with no subsequent royalties. There are a number of websites that sell royalty-free music and sound effects. A school media center or TV production class may have royalty-free music that you can use, or you may be able to work with a local TV/radio station or video production company to purchase royalty-free music.

Conduct an Internet search using the keyword “Royalty Free Music” or visit a site such as https://www.royaltyfree-music.com/.

Permission is not required if a brief portion of copyrighted material is viewed incidentally (i.e. during the panning of a crowd, someone is seen holding “People” magazine. If the camera were to zoom in on this person to emphasize the magazine, it is no longer considered incidental and permission must be sought). Symbols, logos, characters, etc. that are trademarked must have a letter of permission to use (unless they are “incidental”).

Permission is granted for HOSA chapters to use the HOSA emblem and logo in the PSA.

HOSA chapters are required to act responsibly and follow all applicable copyright laws in the production of a HOSA-Future Health Professionals Public Service Announcement.

Please complete this form and upload to the HOSA Digital Upload System. Type clearly.
