CLINICAL SPECIALTY

Updated 7.2.2025

Tips from ILC Judges

What did competitors do well?

- Enthusiasm for the specialty they selected
- Able to highlight the career
- Great presentation and preparation
- Communicated clearly

Where could competitors improve? / Tips for Success!

- Increase understanding of how the profession fits in the system
- Improve time management during the presentation
- Focus on articulation and body posture to eliminate nervous tendencies such as “ums, ahs” and body fidgeting or poor posture
- Voice to low and stage presence could have been improved
- Missed rubric items

What was the deciding “IT factor” when scoring competitors?

- Thoroughly researched topic
- Higher scores went to those who you could tell practiced over and over
- Creative in their career choice
