

# JUDGE FEEDBACK

## EXTEMPORANEOUS HEALTH POSTER

Updated 7.3.2025

### Tips from ILC Judges

#### What did competitors do well?

- Very individualized in sharing the topic; used many different techniques to provide the topic
- Use of color
- Developed a clear message
- Not overwhelmed with all the facts provided

#### Where could competitors improve? / Tips for Success!

- The competitor needs to determine which facts provided are of the most importance and not make the poster too busy
- Take the full time given to develop an eye catching poster
- Know the rubric so that focus can be on those items scored

#### What was the deciding "IT factor" when scoring competitors?

- Artistic choices that presented the most dynamic poster with the most effective message
- Posters that were impactful, eye-catching, and unique
