

JUDGE FEEDBACK

EXPLORING MEDICAL INNOVATION

Updated 7.3.2025

Tips from ILC Judges

What did competitors do well?

- Great presentation skills for middle school competitors and they were well researched on the topic
- Very determined and excited to share their project
- Creativity of their project

Where could competitors improve? / Tips for Success!

- Relied too heavily on their note cards
- Nervousness, benefit from presenting to a variety of audiences prior to competition
- Organization of presentation could be improved

What was the deciding "IT factor" when scoring competitors?

- Very organized
- Able to stay within time limits
- Excitement and confidence in their project and presentation
