

THE HOSA STORY

Recognition Opportunity for HOSA Registered Alumni

Recap:

1. This is an opportunity for **HOSA Registered Alumni Members** to create a two-minute video to tell how their HOSA journey has resulted in where they are today and what they hope to accomplish in the future.
2. **HOSA Alumni** have a greater perspective, having experienced the classroom, the chapter, the competitive events, the leadership development, the community-based activities, and the regional, state, and international leadership conference. In retrospect, share what was the most helpful in your career development as a HOSA-Future Health Professional.
3. Plaques and a cash award will be presented to the top five (5) (overall across all categories) at HOSA's 50th Anniversary Celebration.
4. The deadline for submitting the 2-minute video is **April 1, 2026 (midnight CST)**.
5. Process: Submit the video via this [form](https://hosafhp.wufoo.com/forms/the-hosa-story-video-recognition/) (<https://hosafhp.wufoo.com/forms/the-hosa-story-video-recognition/>).

The Background

The HOSA Story video celebrates the impact of HOSA among **Registered Alumni**, highlighting how classroom learning and chapter experiences combine to develop the technical, leadership, and professional skills essential for success in the health professions. Through a short, inspiring video, participants can share their personal HOSA journey and showcase how HOSA truly prepares future health professionals to lead, learn, serve, innovate, and succeed.

Eligibility

- **HOSA Registered Alumni** may participate by creating a **2-minute informational and inspiring** video using the prompt below:
- **HOSA Alumnus:** Create a video that illustrates how the combination of classroom (health and biomedical science) and chapter (HOSA) prepared you to be a future health professional with the technical, leadership, and professional skills that helped you achieve your career goal.

Tips for Video Production:

- **Create a storyboard.** Draw what scenes you would like to capture in your video. Plan your project before you start shooting.
- **Clear sound is essential.** Make sure that you are in a quiet environment when you start recording your HOSA Story. The audio must be clear and at a normal volume.
- **Check the lighting.** Good lighting is vital. When shooting outside, it is best to record on a day when the sun is bright and everything is clearly visible. When inside, make certain there is proper lighting.
- **Vimeo Academy.** Take advantage of the free courses, tutorials, and learning resources available at www.vimeo.com/vimeo-academy.
